

NOTIFICATION OF VOLUNTARY SAFETY RECALL

Re: <u>SI TECH Shell Inflation Valve Int'l Nipple for Diving Drysuits</u>

SI TECH is performing a voluntary safety recall of certain batch codes of two (2) models of its Shell Inflation Int'l Nipples. SI Tech has initiated this precautionary measure after receiving notification of a potential discrepancy in the production batches listed below. The discrepancy may lead to a loss of inflation capacity. As the safety of those using SI TECH valves is paramount to SI Tech, we have initiated this voluntary recall.

PRODUCT SUBJECT TO VOLUNTARY RECALL:		SHELL INFLATION VALVE INT'L NIPPLE
HAZARD:		LOSS OF INFLATION CAPACITY
PRODUCTION PERIOD:		2019-04-2 to 2021-05-03
Model Number:	25210	
	Production Batch Codes:	JD1, JE2, JE5, JE6, JF6, JG2, JK6, JK9, JKA, JL1, JL3, KA7, KB8, KG2, KH3, KH4, KK7, KL3, LC1, LC2, LC4, LC7, LC9, LD2, LD6, LD7, LD8)
Model Number:	25215	
	Production Batch Codes:	JG1, KA9, LC5

Instructions on how to identify the batch code can be found on www.sitech.se .

Please note that this information relates to Shell type valves with an International Nipple only of the above listed production batch codes. No other valves are subject to this notification. Please note that the logo on the button may vary, eg., SI TECH, other logos. A sample picture of the Shell Inflation Value Int'l Nipple is in red below.

Shell inflation valve Int'l nipple- <u>Subject to</u> voluntary recall	Shell inflation valve cejn nipple- <u>Not</u> <u>subject to recall</u>	Skeleton inflation valve- <u>Not subject to</u> <u>recall</u>	Slide inflation valve- Not subject to recall

WARNING! DO NOT disassemble or service the valves yourself. SI TECH has appointed certified technicians to perform the replacement of the valve part subject to this notification. All service/disassembly of SI TECH valves must only be performed by SI TECH approved technicians. Assembly and service performed by unauthorized parties will result in the voiding of the warranty.

If you have a valve subject to this notification, please contact the following address:

For North America (USA and Canada): sitech@oceanequipment.ca

Rest of the world: recall@sitech.se

Upon notification, SI TECH will forward shipping information to be used to forward the valve(s) with a completed notification form, which follows. Your valve(s) will be handled by a SI TECH appointed technician and returned to you at no cost. Expected turnaround time is 48 hours, upon receipt of the valves, excluding holidays.

All inquiries related to this notice should be directed to the following email addresses:

North America: sitech@oceanequipment.ca

Rest of the World: recall@sitech.se
